The hundreds chart consists of a grid of numbers from 1 to 100, with each row containing a group of 10 Activities and Games to Play with the hundreds chart. Two color counters or squares of paper in two different colors. Child 1 says the number out loud and places a colored counter on that number. Child 2 repeats the number and places a counter of the different color on that number. The challenge is to see if the child can say all the numbers from 1 to 100 in order without making a mistake.
