Nick Vujicic: Life Without Limits. I do believe my life has no limits. I want you to feel the same way about your life; no matter what your challenges may be. Life Without Limits is the story of gutsy Nick Vujicic, an amazing 28-year-old Aussie born without arms or legs who is now an inspirational speaker. My name is Nick Vujicic and I give God the Glory for how He has used my testimony to touch lives across the world. There were no warnings or time to prepare. My story is not about what can be done with arms or legs, but what can be done without them. It is not about the impossible, but what God can do with the possible. It is not about my life, but the life He can give to everyone who would let Him. Nick Vujicic, Life Without Limits (2012-09-11). Pelican Books. ISBN 0743277876.
