An Exit Slip is a student's response to a question, opinion, or belief a teacher poses related to the topic under study. Read these three sentences and decide which form of (there, the, these, it) is correct in each case:

1. The circuit design and choice of parts were intact. The amplifier uses exactly the same circuit topology except that a balanced XLR input has been provided in addition to the unbalanced RCA input. Whether ended Class A operation or Class B operation, audio magazine said that amplifiers with the same specs sounded the same. Page 2. The X250 stereo amplifier embodies the design technology and refinements of the larger "X" series.
