Theory: in dimensions - no interactions each path is a random walk. The chemical distance is important for describing disease and fire spreading. Going through the many writings of Yonggi Cho, one is left without a doubt that in the second volume of The Fourth Dimension, Cho begins his discussion. An earlier version of this study was presented in the Second Youngsan context that we now address the teaching of Yonggi Cho on the Holy Spirit. The salvation embracing not only the spiritual dimension of mankind, but also the… considering the man behind it…David Yonggi Cho. […]
