CHAPTER 11.1 REVIEW. Molecular Composition of Gases. SECTION 11-1. SHORT ANSWER Answer the following questions in the space provided. 1. choice that best completes the statement or answers the question.

1. A real gas...
a. does not MODERN CHEMISTRY CHAPTER 10 TEST. HRW material. Basic Properties of Solids, Liquids, and Gases. 3. Characteristics of Gases. No definite volume or shape: A gas fills whatever volume is available to it and is easy

Section: Behavior of Gases. Boyle’s law relates the pressure of a gas to its...
c. They are easily compressible. d. They are fl[...]
