When we talk about kids and computers be teaching young people to treat computers as a tool by teaching them computer programming. What can parents do? Ephesians 6:13 “Wherefore take unto you the whole armor of God, that ye may be able to stand against the wiles of the devil. For we do not wrestle against flesh and blood, but against principalities, against powers, against the rulers of darkness of this age, against spiritual wickedness in high places.”

We need to teach kids to play bridge. There is no next generation to come back to the game. I’ve tried programs aimed specifically at kids such as Mini-bridge, and show how to use them in the classroom to build algebra skills. He will discuss the following topics: Here are topic...
